# EVOcrk

*the fast jack for all rally categories*

EVOcrk is the quick-lift hydraulic rally jack suitable to every car.

Sharing most of its features with the top-end rally jack EVOjack, EVOcrk is made of light yet strong aluminum and stainless steel parts; the adjustable technopolymer base – fitted with a rubber sole – offers maximum grip on regular tarmac and gravel surfaces.

EVOcrk is a motor-sport tool that can be used also for heavy duty. The incredible balance between price and overall performance makes it the best solution for all rally drivers and crews.
